

**2010 FOOD BANK LIST** - most require a 'decline letter' from Work and Income.

**Note:** It is an individual's responsibility to confirm criteria, eligibility, and availability of food help from these places. Please try the food bank closest to your home first, as some Food Banks may prefer to help those living locally.

|                                   |              |                               |   |
